HOLLAND TO HELP
POPE FOR PEACE

ROME, Italy—Pope Benedict, in receiving Minister Regout, who presented his credentials as Dutch envoy accredited to the Holy See, expressed the hope that the decision of the Dutch government again to be represented at the Vatican after the lapse of 15 years might constitute an important factor in the near future in events leading to the pacification of Europe. These words are interpreted here as confirming the view that the Dutch Legation to the Papacy was instituted principally to allow Holland to follow and support papal initiatives in favor of peace, and also to enable the Dutch government to invite the Pontiff to the peace conference at the close of the war in case it should be held at The Hague.

JAPAN'S LARGEST HARBOR NOTES NAVY DOCK JAM IS GETTING WORSE EVERY DAY

NEW WARSHIP TRIED OUT

The Fuso, the Japanese battleship of the super-dreadnought type which has been completed at the Naval Arsenal at Kure, made her first trial run last month in the Bay of Hiroshima. She made a second trial run off Suway province in the Inland Sea August 24 and 25.

The test of the firing of the heavy guns will continue through four weeks, having begun August 26. After that the vessel will enter dock, for the adjustment of her equipment. The Fuso will be turned over to Captain Sato some time in the latter part of October.

The Fuso is the most powerful battleship yet built for the Japanese navy. Three sister ships are now under construction at the Yokosuka, the Kawa-saki and the Mitsu Bishi docks. The Fuso carries 12 14-inch guns, 16 six-inch guns, and six guns for defense against attacks from flying machines. Her tonnage is 30,000.

MAKURA CARRIES APPLES FROM NORTHWEST

Apples enough to feed a good-sized army for several days are on board the Canadian-Australasian liner Makura, which arrived off port from Vancouver at daylight this morning, anchored at Pier 7 at 8 o'clock, and left again at 11 for Suva, Auckland, and Sydney.

The big liner is carrying 20,000 boxes of British Columbia and Washington apples to Auckland, New Zealand, and Sydney, of which 6000 boxes go to the first named port, and the remainder to the Australian city. "This is the off-season for fruits in Australia," said Parker W. G. Barnett, "and this shipment will help to fill in until the Tasmanian crop is harvested." Mr. Barnett said last year Tasmanian shipped 4,000,000 boxes of apples to England.

About 40 passengers came on the ship for this port, and through passengers for Australian points, number 31. Only two and a half tons of cargo were discharged here and 16 tons taken on. The Makura's through cargo weighs 2292 1/2 tons. The ship's officers reported a very smooth voyage.

Among the passengers sailing from Honolulu when the boat left at 11 o'clock today, were Mr. and Mrs. John Harper, who came on the Makura when she docked here from Australia on her last trip.

Mr. Harper is commissioner of the state railways of New South Wales and has been passing a vacation here with his wife and seeing the sights of interest in these islands. He expressed himself as delighted with Honolulu and said he hoped to be able to visit here again in the future.

The Makura brought 32 sacks of mail here from Vancouver.

EXPECT T. K. K. WILL TAKE OVER PERSIA AT YOKOHAMA SOON

Among other things shipping men and steamship agents here are discussing this week, is when the former Pacific Mail liner Persia, recently purchased by the Toyo Kisen Kaisha, is going on the transpacific run under her new owners' flag.

Manager J. H. Drew of the shipping department of Castle & Cooke, Honolulu agents for the Toyo Kisen Kaisha, said this morning he had not yet received any advice from the line's general offices as to when the Persia will be placed in service as a T. K. K. boat.

It is generally believed here that when the Persia, now under British registry, arrives at Yokohama to report to her new owners, she will be changed to Japanese registry and will begin her first trip from Yokohama as a Japanese boat.

Hackfeld & Company said today they did not know what run the Persia is to go on. The last report we had was that she was still in San Francisco," they state.

Shipbuilding in Sweden is enjoying a boom.

NAVY DOCK JAM IS GETTING WORSE EVERY DAY

John D. Spreckels' private yacht Venetia has reached San Diego safely. It was here last month.

The Commercial Pacific Cable schooner Florence Ward has returned from an uneventful voyage to Midway Island.

The Pacific Mail liner Korea has reached San Francisco, getting in Monday afternoon at 12:20. This was the boat's last transpacific voyage.

Boarding Officer Lewis B. Reeves is taking the place of Deputy Collector of Customs Roger J. Taylor, who is away on his annual vacation and will not return until October 7.

The Shinyo Maru, due here Friday from the coast, will bring the next mail for Honolulu. The Sonoma, due here at 8 o'clock tomorrow morning from Australia, will bring mail from there.

The U. S. cruiser Maryland, which left here August 31, has reached San Francisco. It arrived Monday. The big fighting craft will leave there as soon after next Wednesday, September 15, as possible, conveying the K submarine to this port.

Carrying 100 first-cabin and 25 steerage passengers, the Matsun steamship Wilhelmnia sailed from Pier 15 at 10 o'clock this morning for San Francisco. She carried a big cargo, consisting of canned pineapples, sugar, bananas and miscellaneous freight.

Much-needed repairs are being made to the coastguard cutter Thetis. The vessel is having her boilers lifted out by the naval crane at the navy dock, for the purpose of having new engine beds and saddles installed, as the old ones are in poor shape and inadequate.

Permission to carry 270 passengers has been granted the Oceanic steamer Ventura. This is 20 more than under the old rating, which became 250 when sailors were dropped, due to the Seamen's Act. Hawaii business has been so heavy, however, that the additional sailors were re-employed, giving the vessel the heavier rating again.

There will be plenty of doctors on board the Matsun when it arrives next Tuesday. The boat sailed from San Francisco today, and in the passenger list are the names of five physicians, two of whom are dentists. Dr. G. A. Braly and Dr. J. M. Whitney. The other doctors on board are Dr. G. A. Thompson, Dr. E. B. Copeland and Dr. F. F. Keating.
